CAN I WORK?	While it is possible to work part time, most students tend not to work while in the Advanced Standing Program due to its rigorous schedule.	This program allows for more flexibility for students to work. However, it is challenging to balance traditional work schedules with the practicum requirements of the program.	While it is possible to work part time, most students tend not to work while in the Day Program due to its rigorous schedule.	This program allows for more flexibility for students to work. However, during the second and third years, it is challenging to balance traditional work schedules with the practicum requirements of the program.
