

10/7/11 Advanced Competencies Training

WORKSHEET #2: Developing Evaluative Statements

POSITIVE STATEMENT:

Instructions: Identify a competency and practice behavior. Write one positive evaluative statement, citing student achievements, effectiveness, and methods of measurement. Identify next steps for advancing student growth in this area of practice.

ADDRESS AN AREA OF CHALLENGE

Instructions: Identify a competency and practice behavior. Write an evaluative statement that, cites student strengths and difficulty, attempts at redressing lack of abilities or knowledge in supervision and practice, methods of assessing student development, and next steps for planned learning and applications in practice.
